Committee
Accountability

Ron Whetter
Committee
Chairs

Require committees to meet at least once during the year unless they have no issues to discuss

Committee reports need to be submitted to the president quarterly \

Committee objectives for current year from board need to be listed on the committee Assignment listing

Central deposit of information including job descriptions of committees and board members, Board minutes and committee minutes, and financial information

Discuss progress of Strategic Plan at each meeting to general membership

More active committees with more member involvement. Proof based on notes and by list of members attending committee meetings
