Revenue Recognition Under ASC 606 – New Standard, Same Result?

Course Content:

As the effective date is either here, or rapidly approaching for implementation of FASB ASC 606 – Revenue from Contracts with Customers, do you know what it will take to record revenue under the new standard? The goal of today's webinar is to help you get used to some new terminology and thought processes you'll need in order to follow the new rules.

Justin has more than 15 years' experience in the healthcare and not-for-profit industries, serving clients including critical access hospitals, rural pps hospitals, skilled nursing, and senior living organizations, providing audit, reimbursement and consulting services.
