Healthcare is a daunting field to be a part of and there are so many different career opportunities and places to get plugged in.

The North Dakota Chapter of the Healthcare Financial Management Association (NDHFMA) is here to help navigate and provide you with some great networking and food!

Just bring yourself and your questions! We'll provide a panel of professionals who have been in your shoes and are ready to talk to you about their journey through the healthcare field.

Additional HFMA early careerist resources can be found [here](#).
